LIBERTY BELL

One of the most cherished symbols of American independence is the famous Liberty Bell, now preserved in Independence Hall, Philadelphia. It has been rung on a number of different occasions, the most important of which were the following:

On July 4, 1776, the bell was rung to announce the official adoption of the Declaration if Independence. This was actually the birthday of the nation, and marks the most important single event in its history.

October 14, 1781, it was rung to celebrate the surrender of Lord Cornwallis of the English forces, and the virtual close of the Revolutionary War.

April 6, 1783, it announced the proclamation of peace with Great Britain.

September 29, 1824, it was rung to welcome Lafayette, the famous French general who assisted Washington, to Independence Hall.

July 4, 1826, it tolled to announce the death of Thomas Jefferson, principle author of the Declaration of Independence.

July 14, 1826, it ushered in "The Year of Jubilee," the fiftieth anniversary of the American Republic.

July 4, 1831, the famous bell rang for the last time on Independence Day.

February 22, 1832, the bell was rung to commemorate the birth of George Washington. Later in the same year it tolled to announce the death of the last surviving signer of the Declaration of Independence — Charles Carroll of Carrollton, Georgia.

July 21, 1834, it tolled again for the death of the Marquis de Lafayette.

July 8, 1835, while it was being tolled for the death of Chief Justice John Marshall, a crack developed in the bell. It started from the brim and inclined in a right hand direction toward the crown.

On February 22, 1843, when an attempt was being made to ring the bell on Washington's birthday, the fracture increased to such an extent that no effort has been made to ring it since that time. — Religious Telescope

BEYOND THE

Beyond the horizon
America waited —
A land of forests and mighty rivers
A land of prairies and towering mountains
An untamed land —

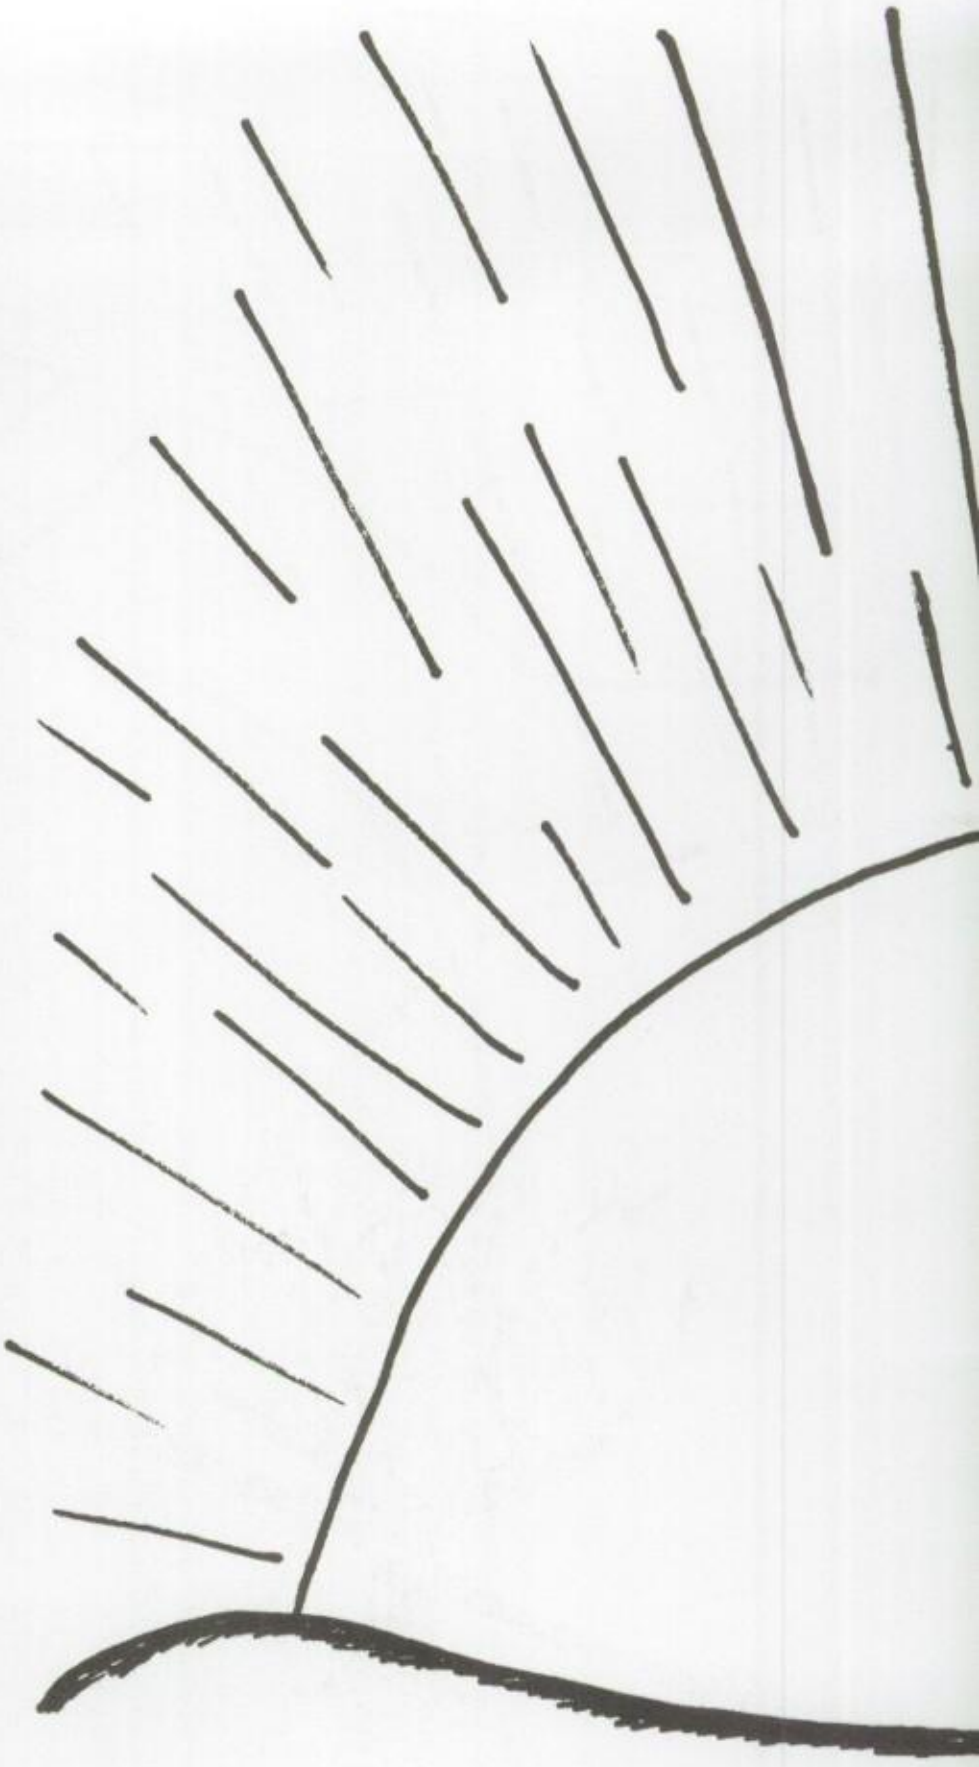
America waited
The first of Europe's peoples
Brave enough to sail across endless seas
for new freedoms
Strong enough to carve out new homes from
the wilderness
Determined enough to build new lives on
new frontiers of land
Beyond the horizon.

They reached, too, for new frontiers of the
mind.
They wrote:
"We hold these truths . . . that all men
are created equal . . .
They are endowed by their creator with certain
Inalienable rights . . .
Life . . . Liberty . . . Pursuit of Happiness."
And they fought and died to make safe that
new frontier of mind — that new concept
of human dignity —
For their right to march on
Beyond the horizon.

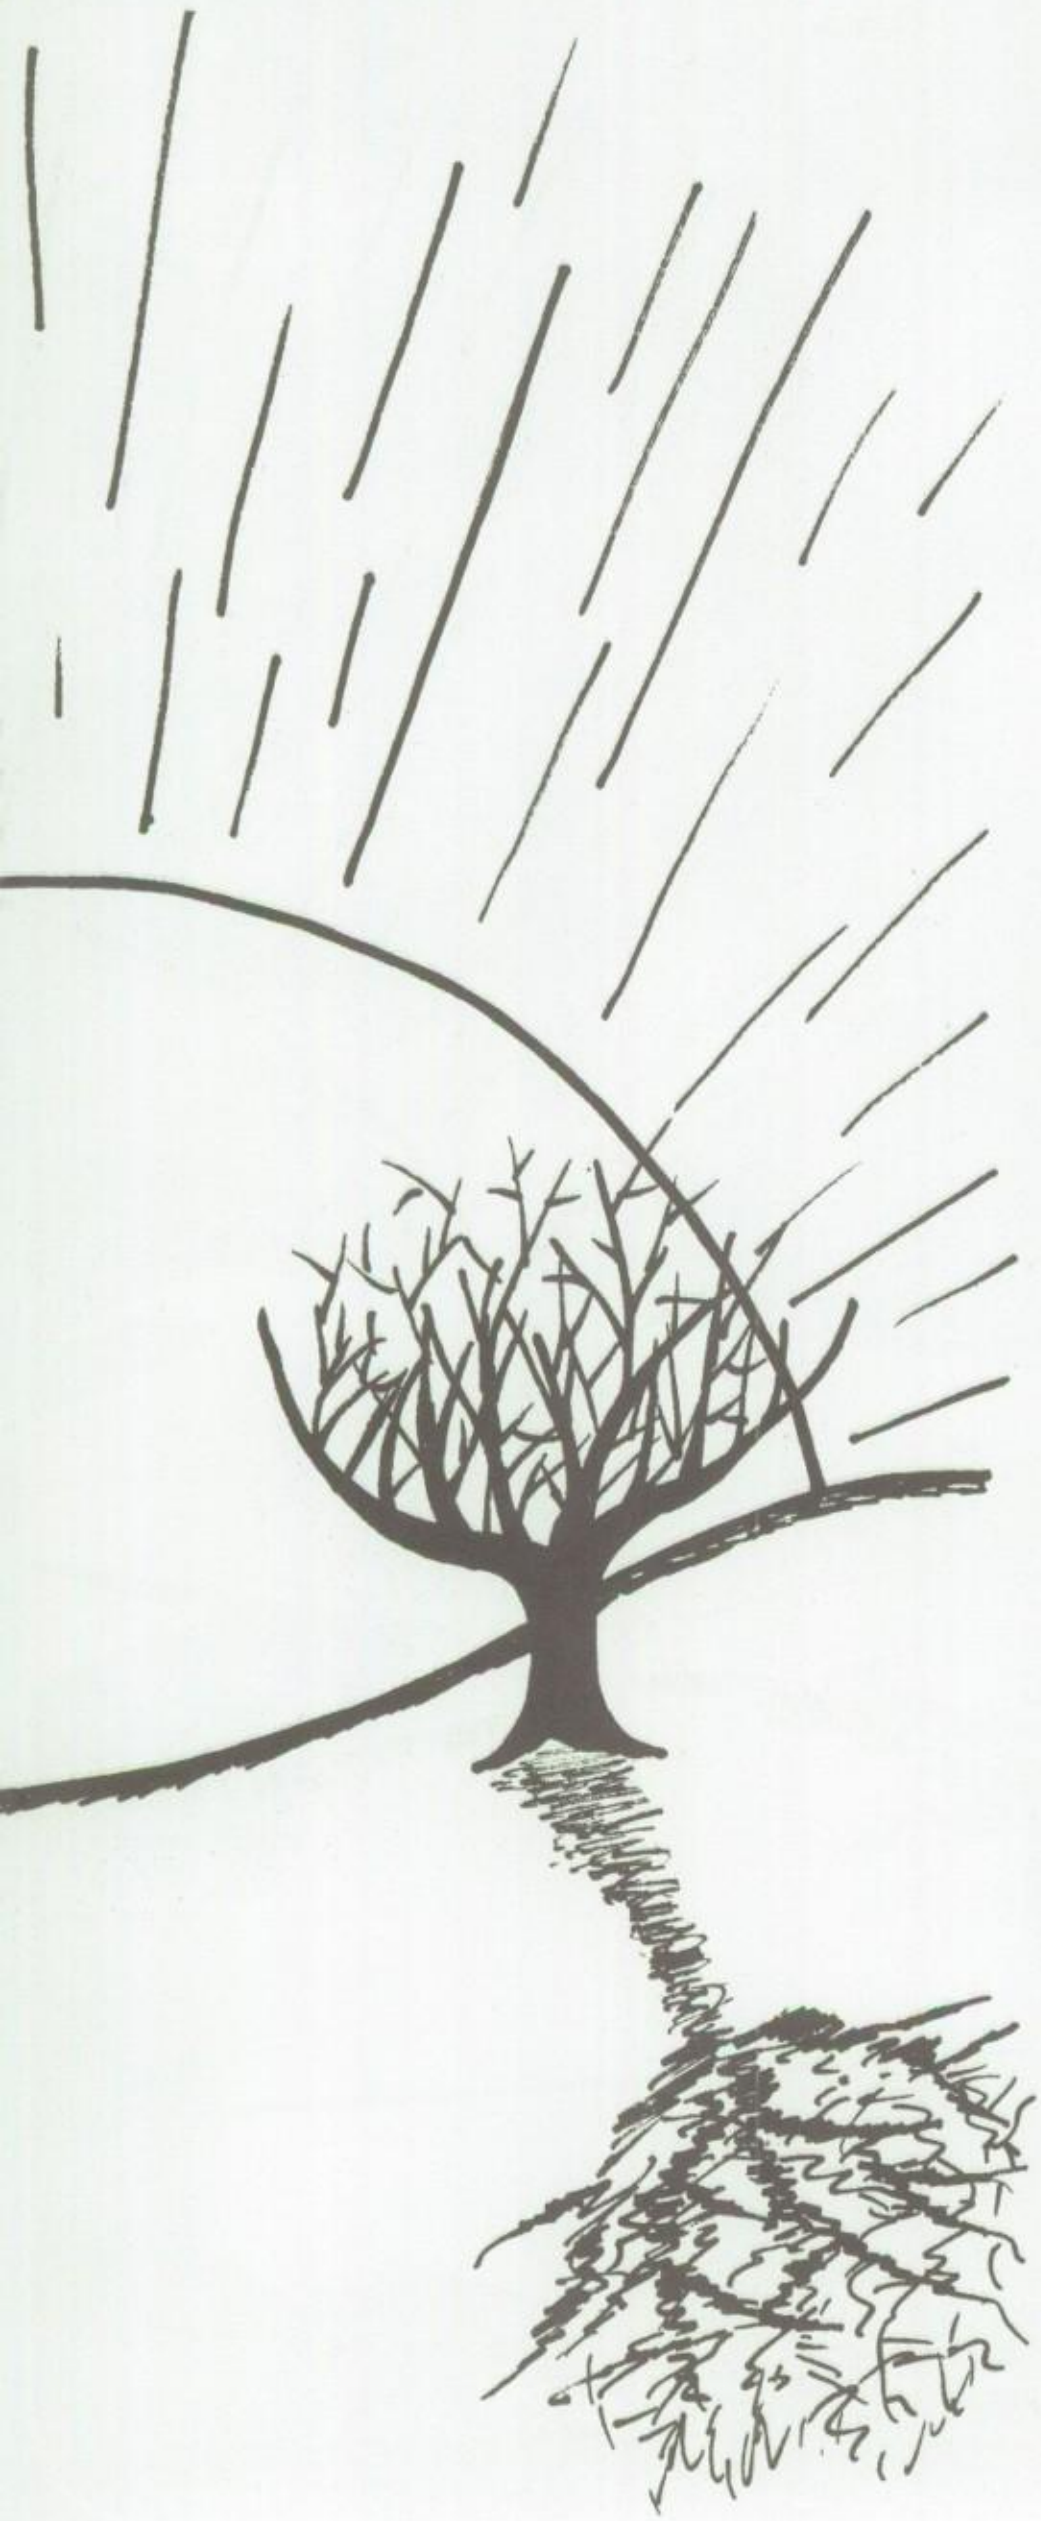
With their freedom won
They pushed westward, saying:
"When you see the smoke of your neighbor's
chimney, it's time to move on."
Yes, on into the setting sun —
In prairie schooners 'cross the plains
On sailing ships 'round the Horn
On to new frontiers of land
Beyond the horizon.

But when they reached the Pacific, some
cried:
"Now — no new land to find.
No more new horizons."
Yet in others' minds sprang still newer
frontiers —
The harvester to cut prairie grain
The steamboat to ply the rivers
Power looms to weave cloth for clothes
New frontiers — of test tube and machine — of
technology
And Americans found new strength
Beyond the horizon.

From Europe's old, tired nations
Came others — new pioneers —
And read on Liberty's Statue
"Give me your tired, your poor, your
huddled
masses yearning to
breathe free . . .
I lift my lamp beside the golden door."
And in the hearts of new frontiersmen



HORIZON



Was kindled the spark of freedom — of the
chance to build
Beyond the horizon.

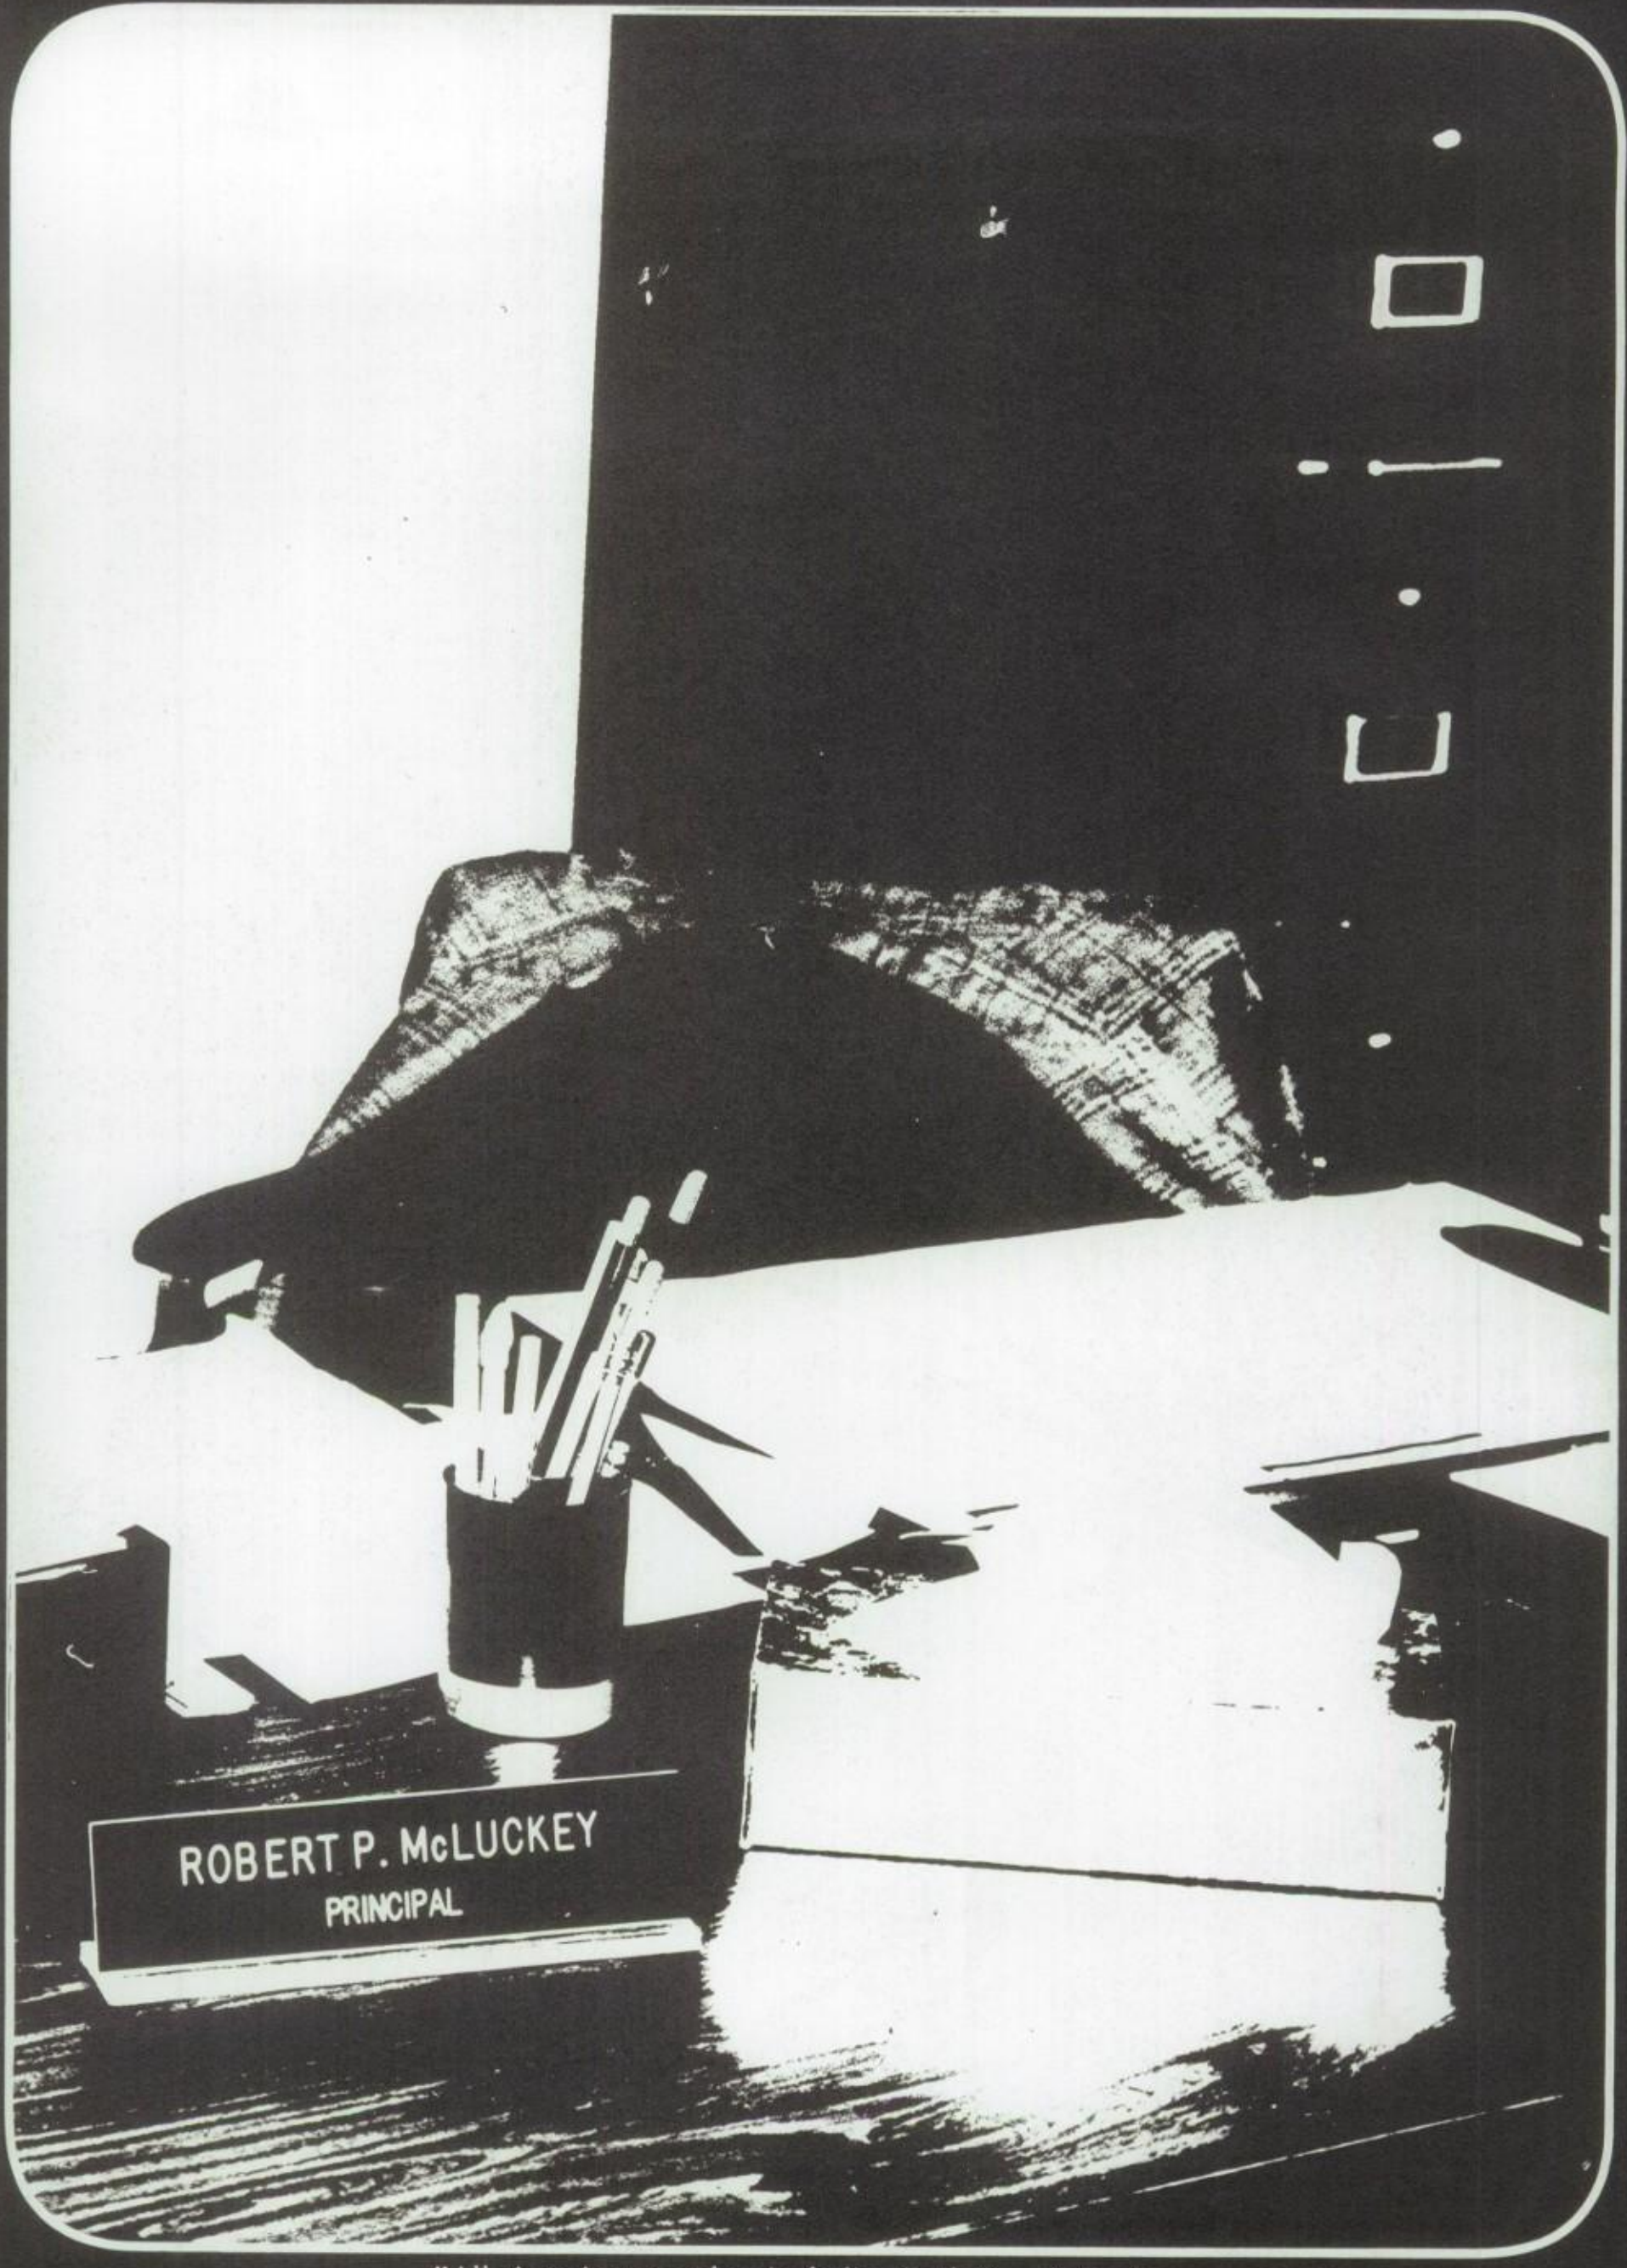
And America grew strong —
Outstripped in material wealth the whole of
the Old World.
Skyscrapers reached high into the clouds
Machines echoed the beat of ocean waves
Power of rushing rivers and glittering oil
was harnessed — to do her people's
bidding.
New drugs saved lives
New paring knives sold for a dime each
New opportunity to move ahead
For a people who looked
Beyond the horizon.

But freedom was never cheap — never sure
And Americans sweated and fought and died
as its price.
In muddy trenches of the Argonne
In steeping jungles of the Philippines
They sweated and fought and died
To ensure their nations right — the right of
their children yet unborn —
To look and to travel as free men
Beyond the horizon.

Yet today some men cry:
"There are no new frontiers now."
"We've expanded to the limit"
"Let's divide everything — not try to
multiply it."
"Let the Government plan — blueprint —
organize everything."
While mourning those who died for freedom,
they shout:
"Let others tell us what to do."
"There are no new horizons now."

Have they forgotten so soon?
Will we trade our success for failure?
Will we sell our birthrights
— Of opportunity — of human dignity
For a mess of pottage —
— A promise of Utopia from foreign lands?
— A twisted phrase like "common man?"
— A ball and chain — "gilt-edged security?"
Or will we have a new birth of freedom
Will we keep high the torch — for the tired,
the poor, the huddled masses yearning
to breathe free.
Will we know that our frontiers of mind and
heart are endless
That our stars — freedom, opportunity,
faith — are ever constant
That our sun, the future unlimited, lies
Beyond the horizon.

Thomas M. Wolff



"All virtue is summed up in dealing justly." — Aristotle

. . . For Justice

Education shapes our lives. With it, we can search for advancement in cures for diseases that plague our world. Technology allows us to provide food for those who otherwise would not be fed. Education gives advantages to our daily lives that probably could not be accomplished. Our education is priceless; hence, our educators play an important role. The dedication towards their work, orients a sense of responsibility in us. This responsibility is directed toward assignments, school teams, clubs, family, church, and other daily routines. The equality and dedication to each motivates us to utilize rationalization in all phenomenons, thus, creating the noble sense of JUSTICE, one of our country's founding principles.

QUESTION: WHO

Is It The Administration?

As the class of 1976 takes its first step into the next one-hundred years of American History, we wish for each of you success in whatever undertaking may be yours.

May the experiences of the first two-hundred years of American History prove beneficial to you, as choices are made for the future.

As your forefathers developed a nation for the foundations of your lives, may you develop institutions that will build a nation free of negative influences that destroy the lives of people.

May the institutions that you build for the future be based on foundations that promote an atmosphere of good-will and brotherhood among all citizens.

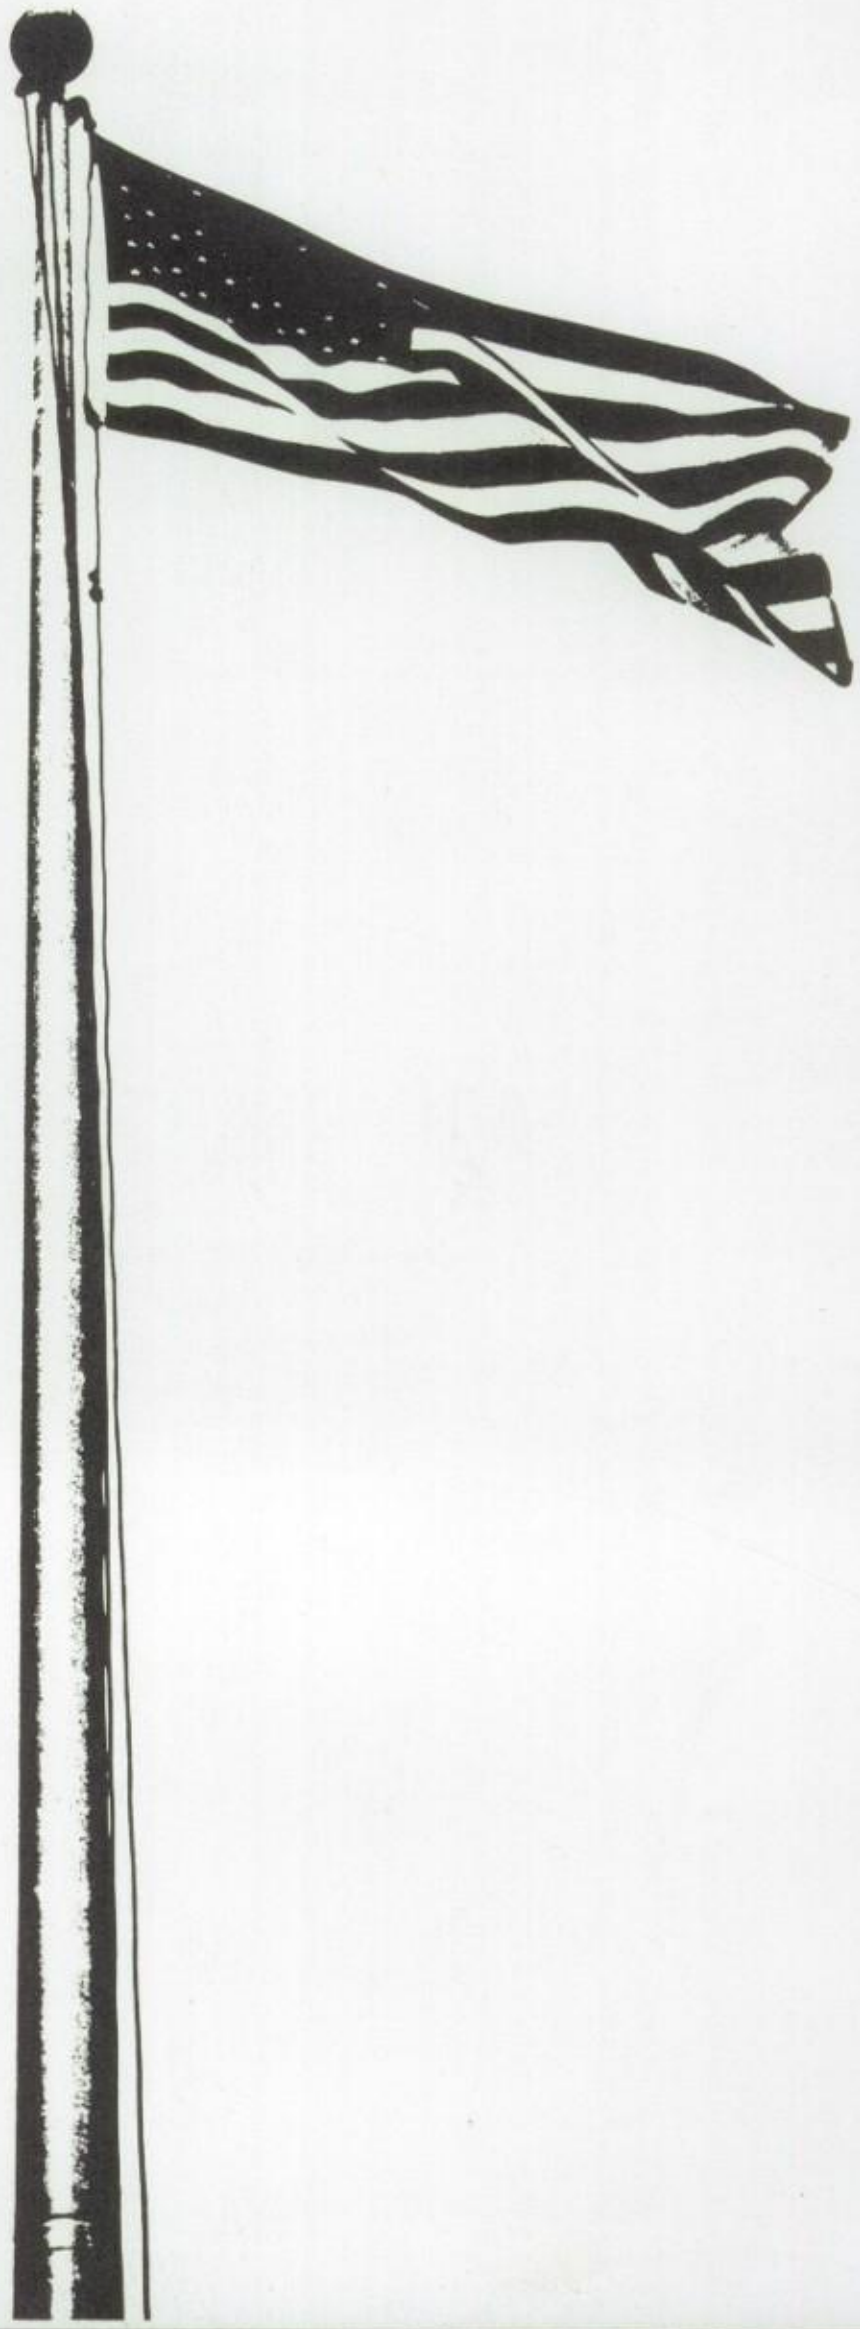
Plant Engineer's Asst.

A TEACHER'S RETIREMENT

I must rest content
Knowing that on the potter's wheel of time
I have had the chance to mold the clay —
Young lives,
Impressionable, waiting to be shaped,
Ready to be rounded cut and used.
Unskilled potter that I was
I often marred the surface,
Or so I thought,
But later was surprised to find
That in the kiln of life
Maturity had smoothed away the mark.
And in its place
I saw the knowledge I sought to give
Glazed with experience,
And though the vessel long had been in use,
These students of so many years before
Assured me I had left my imprint there.
— Alma Barkman

This bicentennial year marks the last year of teaching for three of the faculty of Connellsville Area High School. The service and dedication of Mr. John Daily, Mrs. Jane McPherson, and Mrs. Helen Norton will never be forgotten. We wish these persons happiness and good health in the future.

Or Do You Think The Students Unite C.A.H.S.?



"If a man does not keep pace with his companions, perhaps it is because he hears a different drummer. Let him step to the music he hears, however measured or far away." — Thoreau

. . . For Independence

In the classes of our school, we have a number of sophomores, juniors, and seniors. Throughout society we are classified into groups according to age, rank, intelligence, economic status, et cetera. Our modern world demands this; however, we must remember each person is an individual. We are not a number. We have a purpose. Most important is that each person remembers that he himself is an individual and that he does not forget his identity. His contribution to society is as necessary as any other. Hence, if we can remember each person plays an important role in our world, INDIVIDUALISM can eliminate prejudice and discrimination. Peace, joy, happiness, brotherhood, and love can be ours.

Borris, John

By your junior year you were ready to get involved in school functions, so you signed up for almost anything that sounded interesting. Driving class was a new experience too, and you felt like you had a gold mine when you finally got your license. You also started thinking seriously about your future and possibly took your college boards for the first time. Two years down and one to go and you looked to it with enthusiasm.

The first day of your sophomore year you were handed a map and a schedule, and turned loose in a large building you'd never seen before. You quickly learned that asking for directions would only leave you waiting for an elevator that doesn't operate. But you learned your way around fast and the rest of the year was filled with thrilling new experiences. Now you were anxious to move on wondering what the next two years would hold in store.

"The vile are only vain; the great are proud." — Byron

. . . For Pride

Throughout history, troops have taken such pride in their country, they fight for its honor. This pride united the nation.

In analogy, our teams have fought for the honor of the school. Pride unites us, giving respect to its name, the students who inhabit it, and the community surrounding it.

The respect we hold for other schools reflects on ourselves. The honor we show to visiting schools will be returned. The pride in our school will keep us united.

To be one who respects, honors, and has pride is to be one who IS respected, IS honored, and IS looked to as security of the future.

"Give me a chance to shoot!"

Listen and listen good.

Dribble, Dribble, Dribble . . .

Army vs. Navy

What a sweetheart!

Rookie Tryouts . . . weeks of preparation . . . the big day . . . These are just a few of the thoughts that a player on either Army or Navy night have had on Sat. November 1st. Who won? Army won with the score 20-0. Coaches Zylka, Carbonara, Riedman, and McGarrity were all terrific. The game gave all the girls memories to last forever.

CAPTAIN ERIC FOSSELMAN

Connellsville again participated in Section 15 of the W.P.I.A.L. During the past season, Connellsville won three and lost seven league matches. In exhibition matches CAHS won one and lost three.

We had a very young group of golfers with two lettermen returning. I think they did an excellent job. All of the matches were close and the experience they received this season, will help them a great deal next year.

Football is a game filled with many moments of joy, sorrow, and hard work, very much like the game of life. The determination and discipline that the athlete learns during the football season will continue into all of his future endeavors. For these reasons, football is important not only as a competitive school sport, but also for its lasting values.

Swimmers Make

Girls' Swim Team — 1975-1976:

The members of the 75-76 girls' swim team displayed great team pride and sportsmanship. This, coupled with many hours of hard work, brought them a 6-2 record for the season. In establishing this record, many of the girls left excellent individual performance records. A winning season is nice, but, as a coach, it is much more enjoyable to boast of a 'winning' team such as this one.

I'll take that.

Get it and go Falcons!

This year's basketball record of 13-9 was due largely to the desire, determination, and defense displayed by a small and inexperienced squad. Six of the nine losses were by six points or less. Highlights of the year were beating Uniontown twice and Johnstown. Hopes for improving next year depend on the experience gained and the development over the summer of the Junior Varsity players.

The 75-76 season was one of mixed emotions for me as a coach. It has been one of outstanding effort, and at the same time many disappointments, mostly because of injuries. Our team, this year, accomplished a number of firsts for Connellsville wrestling. We defeated Greensburg and Southmoreland for the first time, and we won our first Sec. IV championship. Ed was the first Falcon wrestler to win a match at the P.I.A.A. state tournament and the first to compete and win the classic at the Civic Arena. The class of '76 wrestlers rewrote the Falcon record book. It will be tough replacing the seniors we lose in this year's graduation.

Power Volleyball has had its 2nd season in CASH with this season's team showing great improvement in its playing ability, thus giving the opposition strong competition. Thanks to this year's captain and each player's devotion to the team and to each other, one of the team's attributes was real team spirit, an attribute vital to the success of any team. Win or lose, team spirit was prevalent, thus making us a team and not 17 players, 2 managers, and 2 coaches. This year we won (and got wet); we lost; we laughed; we ran laps; most important we all kearbed . . . even about volleyball . . . evidently!

Our 8-3 dual meet record was the best since we have been coaching. Winning the county championship was the most satisfying victory for us this year. We also set three new school records: Jeff McCarthy in the 330 yard intermediate hurdles with a time of 41.8 seconds. Jeff was also district champion in the high hurdles and was headed for the W.P.I.A.L. championships until he was sidelined by a pulled hamstring muscle. Dan McCargo set a record in the high jump (6′4½″), and the 880 yard relay team of John Sapanara, Jay Channing, Hansel Keffer, and Jim Stokes set a new mark of 1:31.9.

Rick Lilley had the greatest individual achievement by scoring a total of 175 points for us in the shot, disc, and javelin. He was followed closely by McCargo who scored 170 points. Rick was district champ in the disc with a throw of 161′7″ and he took fourth in the W.P.I.A.L. meet. This qualified him to compete in the state finals at Shippensburg where he finished sixth.

Girls with most points scored.

AT C.A.H.S.

Coaches Carbonara and Burkeholder

Mgrs. Kim Bieber, Wendy Moffatt

For the first time in Falcon history, girls competed in track. Coaches for the team were Mr. Burkeholder and Mr. Carbonara. Forty girls made their track debut. The girls' record for the 1976 season stands at two wins and four losses; however, they carried the mile relay and the shotput to the WPIAL. Linda Miller, Tammy Lincoln, Sharon Bailey, and Brenda Ricks competed in the mile relay, while Vicki Grimm threw the shotput. All the girls showed great enthusiasm.

Coach Burkeholder

"Down in their hearts, wise men know this truth: the only way to help yourself is to help others." — Elbert Hubbard

. . . For Unity

Our high school education is to prepare us for life in our society. Here, school activities represent activities similar to those that we would experience in daily life. In the age of modernity, specialization is a necessity. Here, our clubs represent the demanded specialization. Each club has a certain name and orientates us to specialized routines of just one of the functions that is necessary to the operation of a stable society. Yet, in this modern world, we must remember that each group's functions rely on the other's for its existence, individuals must depend on other individuals for their survival. From this we can conclude that even though specialization is stressed and demanded in society, unity is necessary also.

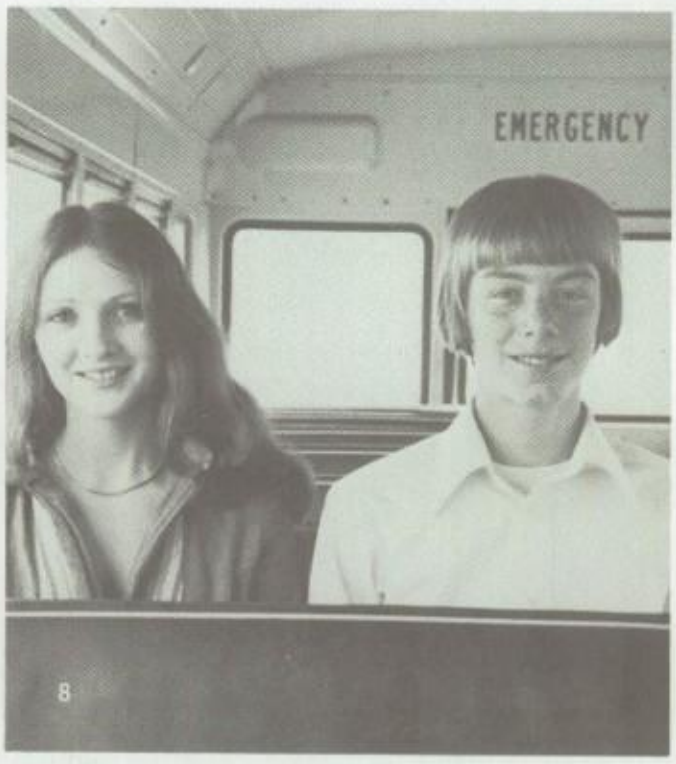
AWARDS



COMMENCEMENT AWARDS

The Pearl Keck Awards given by the Mozart Club were received by Michael Tomaro and Margie Davidson. Mike also received the Falcon Band Boosters Award.

The Woman's Culture Club prize, the Girl Best Citizen, and the Bausch and Lomb Medal were given to Chris Imrich.

Jodi Rulli received the Phillip Freeman Chapter Prize.

Patty Nicholson received the Business and Professional Women's Club prize.

Tom Nalevanko was selected as the Best Citizen.

The Kiwanis Club prize was awarded to Frank Martin.

The Student Council prize went to Pam Gaborko.

The E. Stanley Phillips prize was awarded to Dan Kubelick.

Lisa Shearer received the David C. Guhl Scholarship.

The ODD Fellows Award was received by Ed Sharbaugh.

Rosemarie Smarto received the Connellsville Area Education Commission award.

Susan Joy received the Wakefield Culture Club Award.

The Falcon Chapter of the Quill and Scroll awards were given to Laurie Miller and Heidi Henry.

OPPOSITE PAGE:

1) Pam Gaborko, Cathy Gismondi, and Jerry Welling are the Student Forum.

2) Jodi Rulli and Holly Trimpey have received co-operative Mining Engineering programs with Republic and United States Steel Corporations.

3) Susan Joy was a National Merit Finalist and also received a Penn State Scholar Scholarship. Peggy Silcox was a National Merit Commended Student.

4) Jodee Cutter and Kim Seigal earned first places at the Regional Pa. Jr. Academy of Science. Jodee received a second place and Kim a first place at the State Meeting. They each won Student Science Talent Search Awards. Jodee received a science and craft award at Buhl Planetarium and Kim received an honorable mention in Math and the American Stat. Asso. Award. Kim also won the Explorer's Training Institute Award and was first runner-up in the Jaycee Comm. Service Scholarship. Jodee was selected to attend the Jr. Science and Humanities Symposium at State College. She also received three awards from Taylor Pub. Co. while planning the Yearbook at a seminar last summer.

5) Elisa Harris, Pam Gaborki, and Chris Imrich were chosen as B.P.W. Girls of the Month.

6) Carlton Ritenour received an Otterbein Departmental Scholarship and Otterbein College Grant.

7) Elisa Harris, Ginny Clemmer, and Laurie Miller were Bicentennial Minute Contest Winners. Elisa also was the Quill and Scroll Current Events Quiz winner.

8) Vicki Ritenour and Larry Metsger won School Press Awards.

9) Jodee Cutter, Laureen Winters, and Mary Jo Scacchi were regional winners of the Junior Academy of Science.

10) Lisa Shearer received a Geneva Honor Scholarship and a Grant from Delta Kappa Gamma.

THIS PAGE:

1) Pam Gaborko, Elisa Harris, Jodee Cutter, and Sharon Meyers were Elk Teenagers of the Month.

2) Sandi Miller, Elisa Harris, and Laurie Miller were winners in the Donegal Energy Park Essay Contest.

3) Michael Delmar received a Presidential Honor Scholarship.

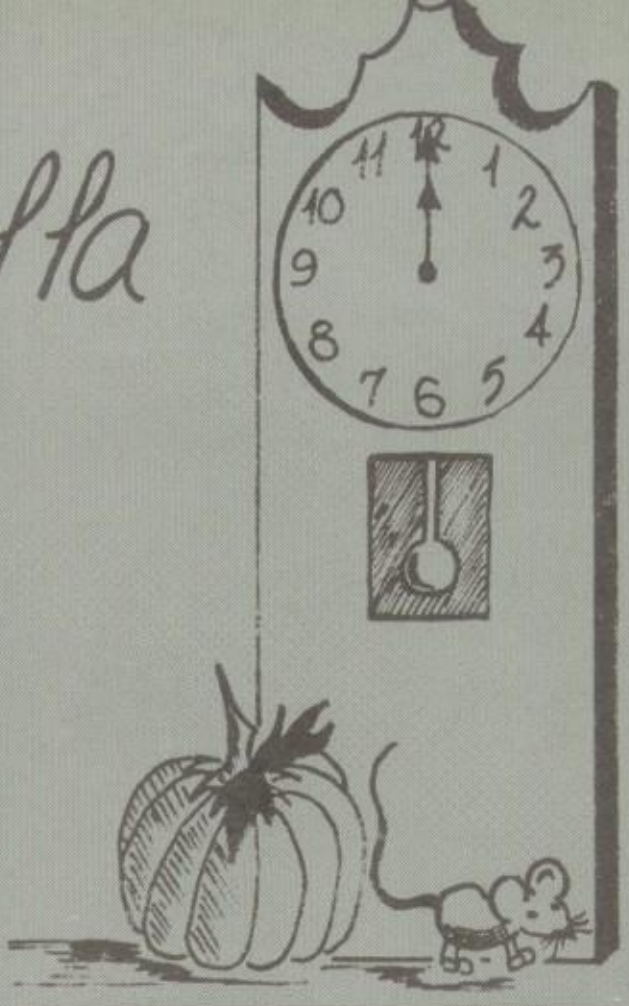
Cinderella Ball



The Cinderella Ball was held on November 21, 1975. The storybook mood was set in shades of red, white, and blue. "Sundown" presented the enchantment for the evening. This year's "Cinderella" was Miss Linda Miller.

HOMECOMING WEEK

Homecoming Week is spirit week at C.A.H.S. Everyone shows their spirit by dressing up for the various days. Hillbilly Day was a new day this year which the students seemed to enjoy as well as the traditional old-fashioned day. On Friday, a pep rally honoring our fall sports was held and the Homecoming Court was presented. At the Homecoming Game, Darlene Addis was crowned Homecoming Queen.

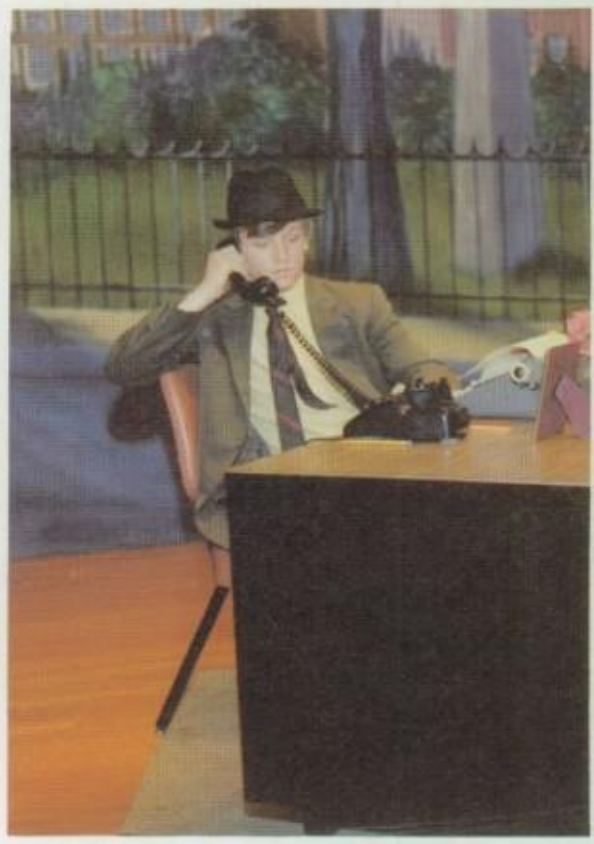
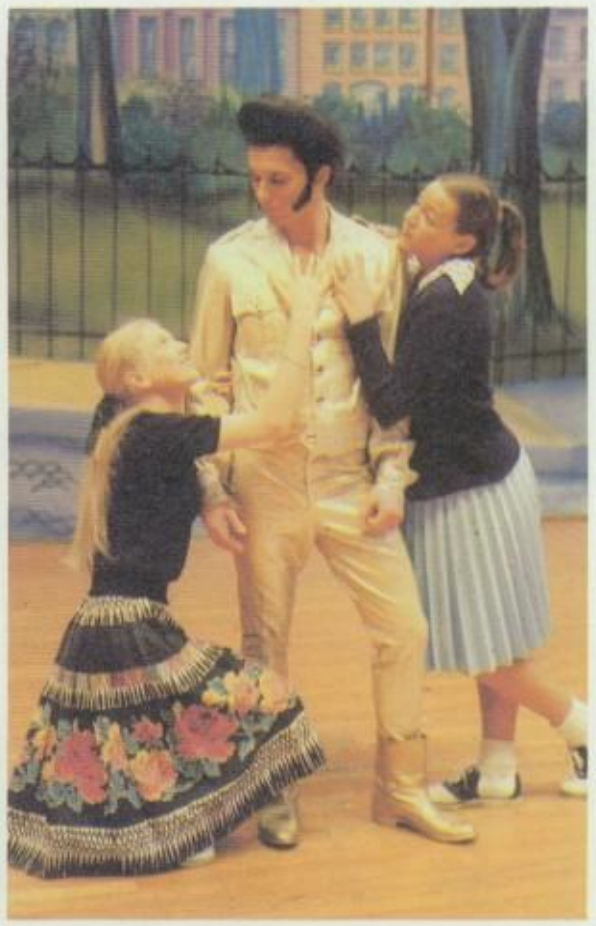
PROPS

BYE BYE BIRDIE

This year's musical, "Bye Bye Birdie," was held on February 26th, 27th, and 28th. No one will ever forget the screams, faints, and craziness that occurred when Conrad Birdie arrived on the scene. Memories of Jeff singing "You Gotta Be Sincere" and his loyal group of fans singing "We Love You Conrad" will always be remembered. The work, imagination, and fun that went into the musical, as well as the sadness when the curtain closed for the last time can never be forgotten.





Student

Pres. Jeff Hess, V. Pres. Dave Baker, Sec. Pam Gaborko, Treas. Liz Homer

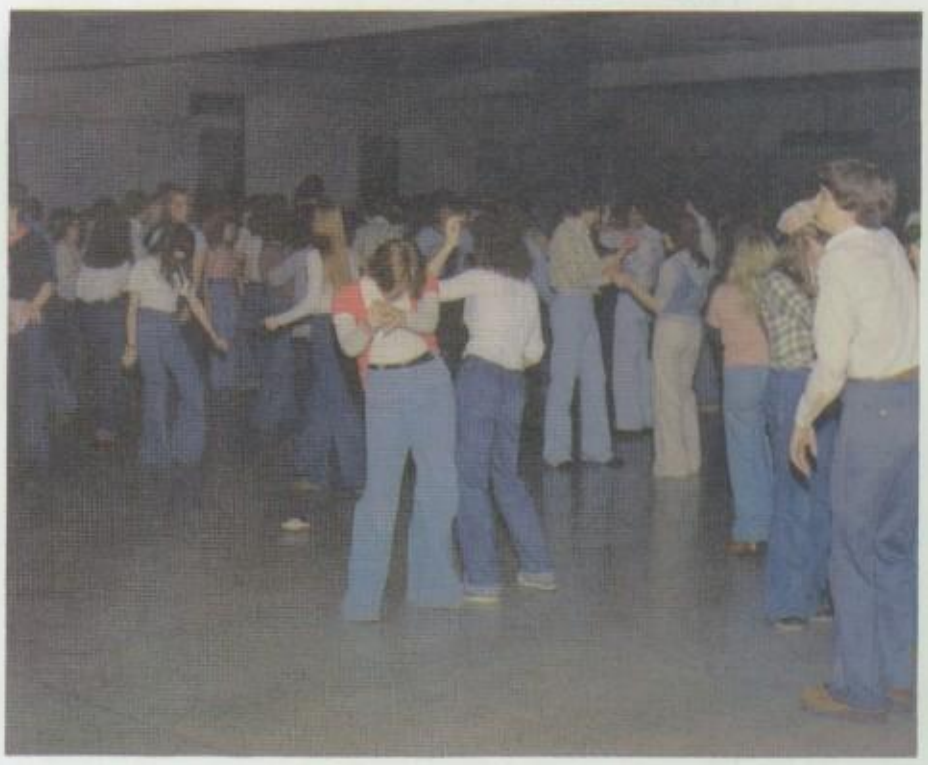
Student Council, representing the student body, benefits our school with many worthwhile activities. By visiting other schools, they gain new and interesting ideas to improve our school. The various committees perform such duties as preparing assemblies, re-organizing the trophy case, and providing music during the lunch periods. Along with the Yearbook Club, Student Council helped to sponsor the Bicentennial dance. The Council has been exceptional in representing our school this year.

Government

Pres. John Sapanara, V. Pres. Sandi Miller, Sec. Jody Helms, Treas. Pam Gaborko

Senior Council is a governing body composed of one representative from each senior homeroom. These representatives combine to take on the responsibilities of planning the senior party and the senior dinner in addition to making important decisions concerning the senior class. The Senior Council of 1976 is commended for the fine job that they have done in uniting the graduating class of '76.

'76 BICENTENNIAL DANCE



The Bicentennial Dance was sponsored by Student Council and the Yearbook Club. The dance featured the Bobby Harper Situation including such things as the football and baseball contests and tug-of-war. The senior class proved to be victorious over the sophomore and junior classes in the tug-of-war. The situation also had three different films playing at the same time as well as different types of lighting effects. The Bobby Harper Situation proved to be a new and exciting experience at C.A.H.S.

SENIOR PARTY

This year's Senior Party started the senior activities and was held on March 12th. The theme of the party was "Do You Know?" from the movie "Mahogany." The class song was sung by Leanne King and various skits were performed of the different characters found around C.A.H.S. Chris's impersonation was delightful as well as Eric's new style of dancing. Scott's imitation of Conrad Birdie was also a highpoint of the evening along with the coronation of the king and queen.

AIDES

These students have volunteered their study halls this year to serve as aides for our school. They help with the different jobs that are found in the Health Room, the Library, the Main Office, and the Guidance Office. At times, the duties they perform can become routine, but their dedication should be greatly commended.

"The gains of education are never really lost. Books may be burned and cities sacked, but truth, like the yearning for freedom, lives in the hearts of humble men."

— Franklin D. Roosevelt

CLUBS

Every other Tuesday you will find C.A.H.S. students participating in club activities. Students are able to choose the club which they feel would interest them the most. During club periods the students have a chance to work together in various fields of interest. Clubs can be a worthwhile learning experience while also providing enjoyment.

This was the first year that Connellsville has ever participated in debating. Our debate team consisting of Paula Lappe and Jan Cutter attended the Bicentennial Debate Tournament held at Charleroi Area High School. The subject for debate was: "Should the development and allocation of scarce world resources be controlled by an international organization." After many weeks of seemingly endless study and research, Connellsville won the first negative round of the debate which consisted of three rounds; negative, affirmative and negative.

1976 Class Song

Do You Know?

(theme from Mahogany)

Do you Know, where you're going to?
Do you like the things that life is showing you - where
are you going to, do you Know?
Do you get, what you're hoping for?
When you look behind you -
There's no open door -
What are you hoping for, do you Know?
Once we were standing still in time, chasing the fantasies
that filled our minds...
And you Knew how I loved school but my spirit was free,
laughing at the questions that they once asked of me.
Do you Know, where you're going to?
Do you like the things that life is showing you - where
are you going to, do you Know?
Now looking back at all we planned -
We let so many dreams just slip through our hands.
Why must we wait so long - before - we see, how sad
the answers to those questions can be?
Do you Know where you're going to?
Do you like the things that life is showing you - where
are you going to, do you Know?

"Climb high, Climb far, Your goal the sky, Your aim the star." — Mary Dawson Hughes

. . . For Ever

We Questioned . . .

We Sought . . .

We Found . . .

We Utilize . . .

We Give Thanks.

Yes, only a few more days 'til I'm free. Graduation — the liberation from teachers, those other stupid kids, and the responsibility of homework. No more papers to write, no more physics problems to do, no more tests to take, no more getting up early to catch the bus, and no more "Yes Sir:; or No Sir," to the teachers. Yes, complete freedom to be my own boss. The night life will be great, out until three or four in the morning, sleeping 'til twelve or one in the afternoon. Graduation will be so fantastic. Come on you beautiful day!

Oh, graduation, commencement, that's when I'm given my diploma. What did Dad call it? Oh, yeah, the ole sheepskin. Wonder why he called it that, it certainly won't cover or protect me from life. What am I going to do? What should I choose, college or a job? Mom and Dad said it's up to me. Why do I have to choose, after all I'm only seventeen years of age. I'm not supposed to be an adult yet. Where should I go? What should I do? Oh, no, it's my turn, that is my name that is being said over the speaker. Thanks, guy, for the ticket to uncertainty. Hello World!

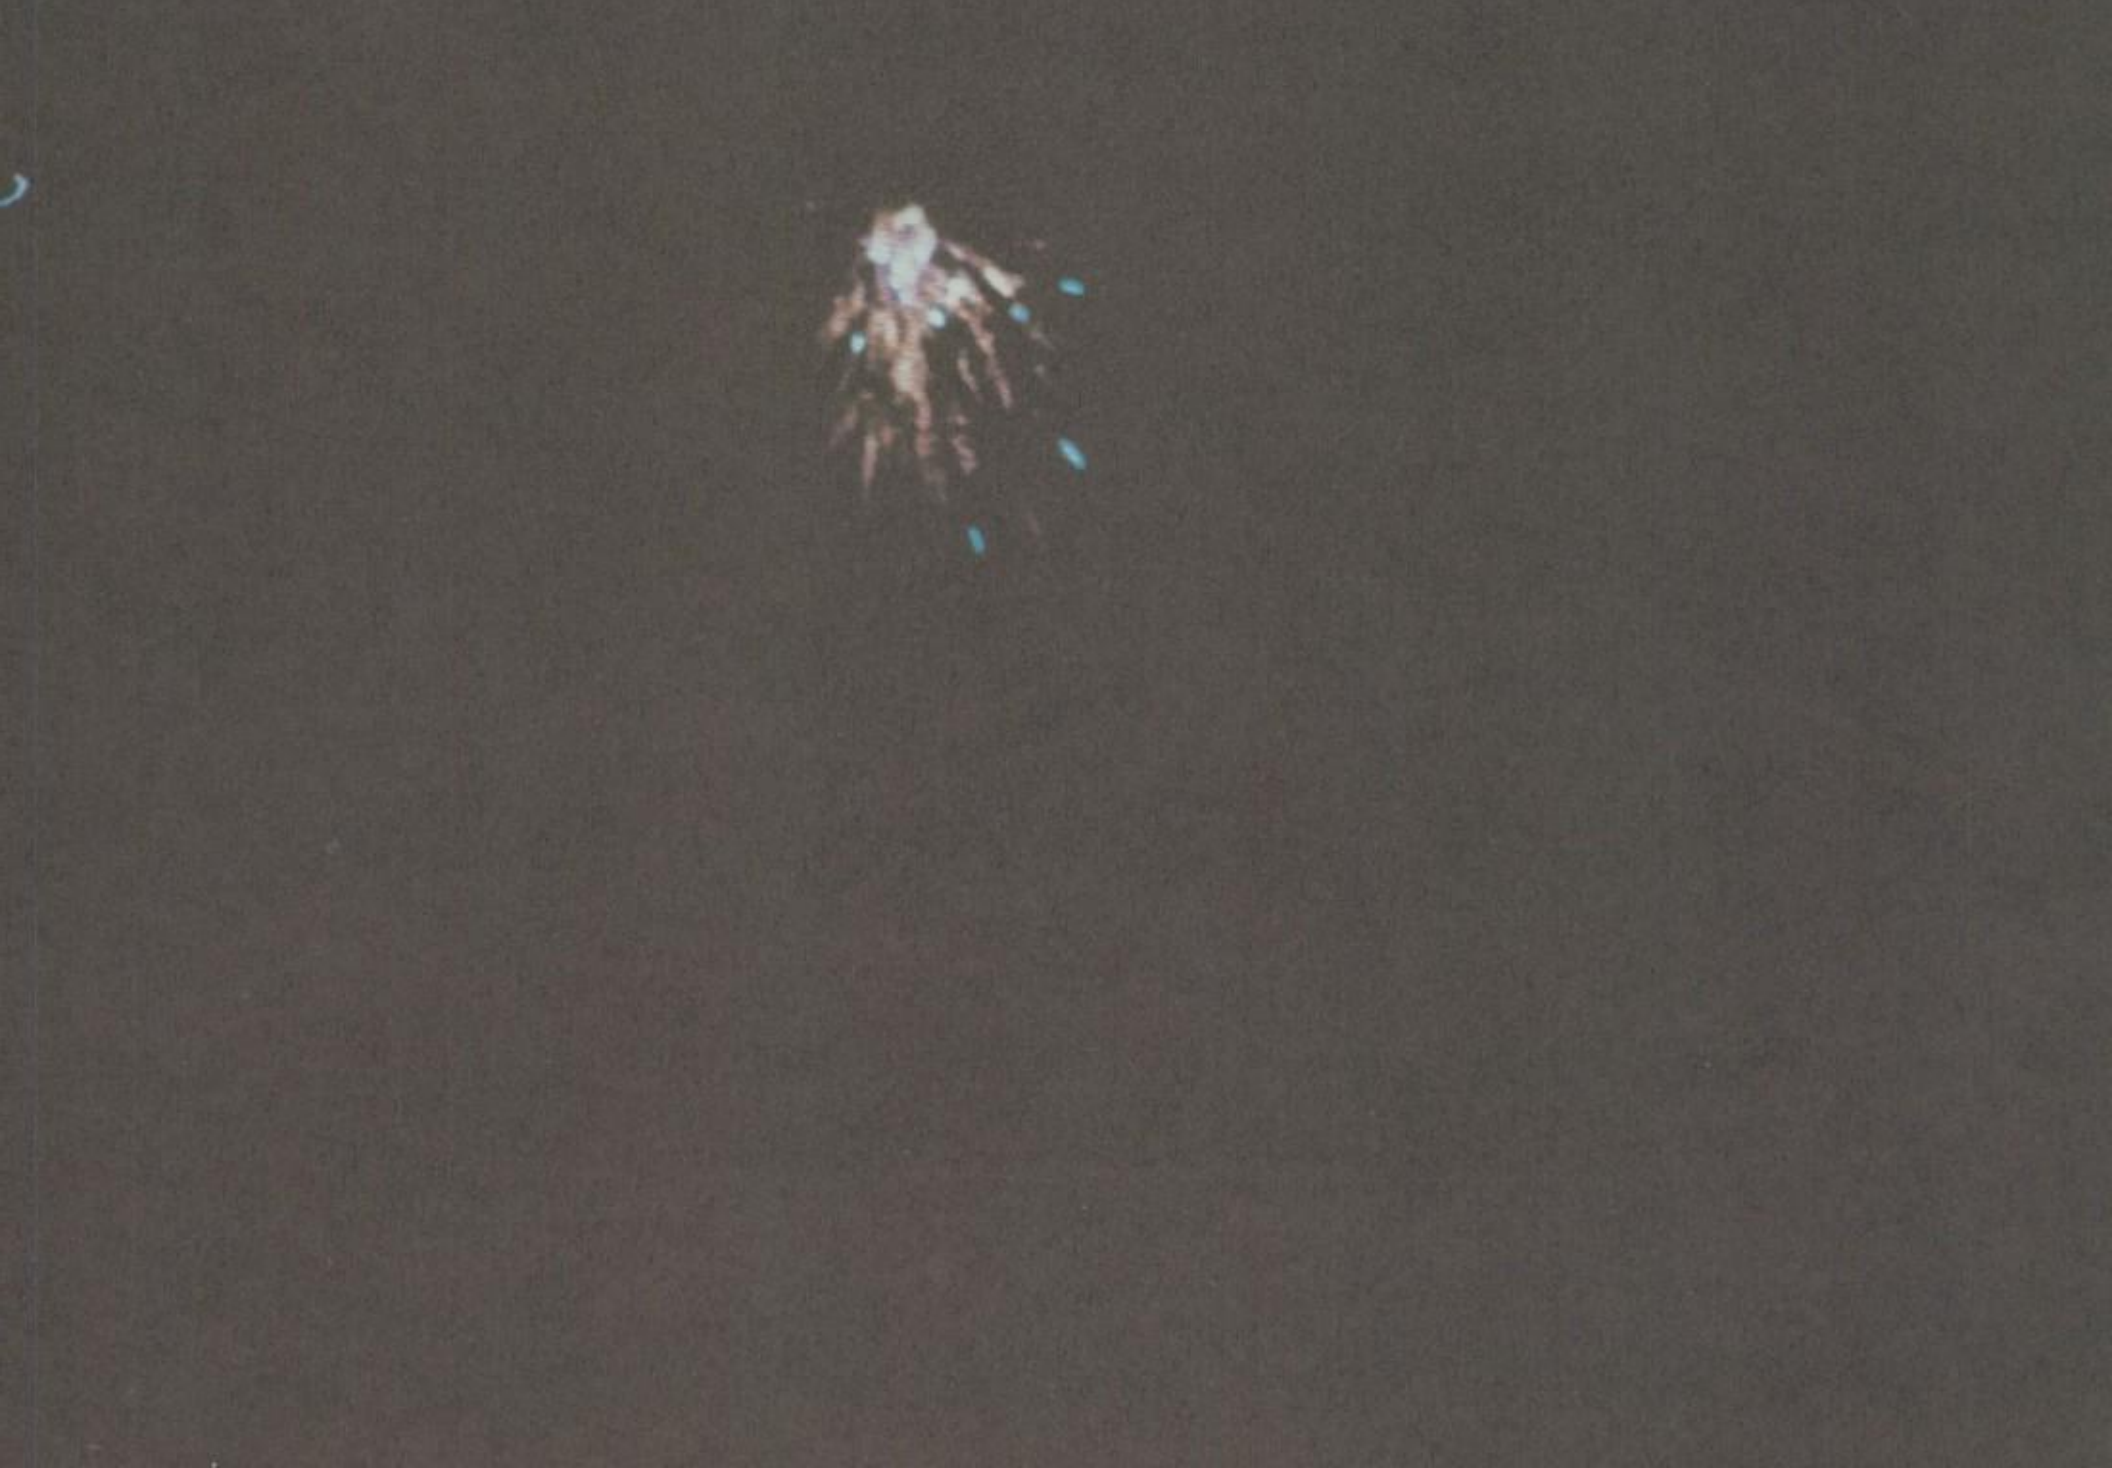
A special thanks to Sharon Means for this write-up, and for all of the division page write-ups.

There Is A Time For Everything

Ecclesiastes 3:1-14

3 For everything there is a season, and a time for every matter under heaven:
2 a time to be born, and a time to die;
a time to plant, and a time to pluck up what is planted;
3 a time to kill, and a time to heal;
a time to break down, and a time to build up;
4 a time to weep, and a time to laugh;
a time to mourn, and a time to dance;
5 a time to cast away stones, and a time to gather stones together;
a time to embrace, and a time to refrain from embracing;
6 a time to seek, and a time to lose;
a time to keep, and a time to cast away;
7 a time to rend, and a time to sew;
a time to keep silence, and a time to speak;
8 a time to love, and a time to hate;
a time for war, and a time for peace.
9 What gain has the worker from his toil?
10 I have seen the business that God has given to the sons of men to be busy with. 11 He has made everything beautiful in its time; also he has put eternity into man's mind, yet so that he cannot find out what God has done from beginning to the end. 12 I know that there is nothing better for them than to be happy and enjoy themselves as long as they live; 13 also that it is God's gift to man that everyone should eat and drink and take pleasure in all his toil. 14 I know that whatever God does endures for ever; nothing can be added to it, nor anything taken from it; God has made it so, in order that men should fear before Him.*

*Taken from: THE BIBLE READER.



Editor's Note: Sincere thanks to Keystone Fireworks of Dunbar, Pa. for their cooperation.
